## Complete Recommendation List

This document and all information included within it have been produced by the Seafood Watch® program, which is owned and operated by the Monterey Bay Aquarium Foundation. The Foundation holds a registered trademark on the name Seafood Watch. All research, findings, conclusions, ratings, opinions, and analyses produced by the Seafood Watch program—including those appearing within this document—are protected by federal copyright law. All such information is and remains the exclusive property of the Monterey Bay Aquarium Foundation.

The Foundation disseminates research, ratings, and other information produced by Seafood Watch to a variety of industry partners. The Foundation thereby grants to recipients a limited, nontransferable license to possess and use both the Foundation’s Seafood Watch trademark and its copyrighted material only for internal uses preapproved in writing by the Foundation. The Foundation reserves the right to revoke these licenses at any time and/or to require recipients to sign a written licensing agreement on terms defined by the Foundation. By granting these licenses, the Foundation does not waive any protections afforded by federal or state intellectual property law.

Recipients may use the Foundation’s Seafood Watch materials only in a manner consistent with federal intellectual property law:

- Recipients must advise third parties that Seafood Watch is a registered trademark of the Foundation that may not be used without the Foundation’s consent. Any use of the Foundation’s trademark on any printed or digital material—including, but not limited to, on websites and in social media—must include the following statement in a prominent location, in no less than 10-point type: “Seafood Watch® is a registered trademark of the Monterey Bay Aquarium Foundation.”
- Recipients must also include an appropriate copyright notice – *e.g.*, “© 2018, Monterey Bay Aquarium Foundation” – on any print or digital reproduction or further dissemination of any Seafood Watch materials.
- Recipients may not sublicense, sell, or otherwise extract financial benefit from the Foundation’s Seafood Watch materials. Third parties expressing interest in sublicensing any Seafood Watch materials should be directed to communicate with the Foundation.
